Dear Community Partner,

A-C-T Environmental & Infrastructure, Inc. (A-C-T) is pleased to invite you to sponsor our 9th Annual Chili Cook-Off benefitting the United Way of Central Florida (UWCF).

Held the first Friday each November, the flavorful event raises both money and awareness for UWCF. UWCF's mission is to understand local needs and drive lasting change to build better lives and stronger communities.

This year's cook-off will take place on November 2, 2018 at A-C-T's corporate headquarters in Bartow, Florida.

In 2017, 54 donated chili entries in three categories – mild, imaginative and hot – tantalized the taste buds of our local "celebrity" judges while approximately 500 guests challenged their own chili-loving-tastes.

Since inception, this event has raised almost \$50,000 – all of which was donated to UWCF. This year's campaign chair, Mr. Ed Crenshaw, Publix Super Markets Chairman of the Board, has challenged this community to have the largest campaign ever so that UWCF can make an even bigger impact for our tri-county area. We need your help to get there! Remember 100% of every dollar collected for our event goes directly to UWCF.

Enclosed you will find the sponsorship levels and benefits for your review. You may use this form or complete the sponsorship and payment form at uwcf.org/chili.

By aligning your company with A-C-T and the Chili Cook-Off, you can have confidence in a successful event that benefits OUR communities in Polk, Hardee and Highlands counties through audited programs supported by the United Way of Central Florida.

Thank you for your consideration and for helping us support our community!

Sincerely,

Robert O. Kincart
