LIVE UNITED®

United Way of Central Florida's Contributor Choice Program offers you the opportunity to invest your gift in the initiatives of your choice. The majority of individuals contribute through Community Investment #4-Option 1 (see *other side*) through which your United Way contribution will be used to address our community's most critical needs. You may choose to invest your gift towards an initiative #4-Option 2 (see *other side*). #4-Option 3 (see *other side*) allows you to invest your gift with another 501 (c)(3) or UWCF program. If no option is selected, your contribution will automatically be put in Community Investment, #4-Option 1.

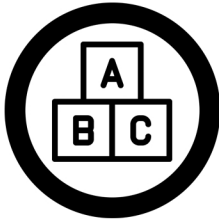

United Way of Central Florida is disrupting the typical nonprofit model. We work to identify community needs and broker the most effective services to move the needle. No one can do their best at work or school if they are hungry, sick or in pain. That is why we are taking action. Will you join the fight? **UNITED WE WIN.**
