Dear Community Partner,

A·C·T Environmental & Infrastructure, Inc. (A·C·T) is pleased to invite you to sponsor our 10<sup>th</sup> Annual Chili Cook-Off benefitting the United Way of Central Florida (UWCF).

Held the last Friday in February, the flavorful event raises both money and awareness for UWCF. UWCF's mission is to understand local needs and drive lasting change to build better lives and stronger communities.

The cook-off will take place on February 28, 2020 at A·C·T's corporate headquarters in Bartow, Florida.

In 2019, 56 donated chili entries in three categories – mild, imaginative and hot – tantalized the taste buds of our local "celebrity" judges while approximately 500 guests challenged their own chili-loving-tastes.

Since inception, this event has raised nearly \$73,000 – all of which was donated to UWCF. We need your help to make our 10<sup>th</sup> year our best ever! Remember, **100% of every dollar collected for our event goes directly to UWCF.**

Enclosed you will find the sponsorship levels and benefits for your review. You may use this form or complete the sponsorship and payment form at [uwcf.org/chili](http://uwcf.org/chili).

By aligning your company with A·C·T and the Chili Cook-Off, you can have confidence in a successful event that contributes each and every dollar collected to the communities of Polk, Hardee and Highlands counties through audited programs supported by the United Way of Central Florida.

It is hard to believe this is already our 10<sup>th</sup> year, but we know, with your help, it will be the best one yet! Thank you for your consideration and for helping us support our community!

Sincerely,

Robert O. Kincart
